

Beige: Caetano de Almeida, Edgard de Souza, Iran do Espírito Santo

August 27 — September 04 1996
Exposição no 1º piso

Press Release

Three emerging artists from the eighties: Caetano de Almeida, Edgard de Souza and Iran do Espírito Santo, reunite their recent productions around their similar interests, proposing an interaction between the works, as if they were an heterogeneous ensemble. The collective project is organized by the artists and show ironically their coinciding views on contemporary art.
